

# Bachelor Project

Student	Kyara Fasen
Tutor	Dennis Rietveld
Project coaches	Daniel Tetteroo
	Carl Megens

Scientific and Professional Skills	Participation / Cooperating	Excellent
	Reflecting	Good
Vision and Identity	Professional identity	Good
	Vision	Good
Development	Personal Development Plan	Excellent
	Organizing learning	Excellent
Feedback	Be more confident face-to-face, your work is great!!	

Attends or informs, prepares well, reliable, keeps promises, never late, communicates in a clear way, is able to send meeting minutes, summary, professional communication, proactive in the team, is able to give constructive feedback and is very motivated.

Needs minor guidance to act as described under excellent.

Sees the importance, undertakes activities to explore PI, knows her strengths and weaknesses and includes them in approach. Is able to express/communicate the PI in text/verbally and can relate to project/PDP.

Is able to elaborate on her own vision based on personal believes and past-experiences. Her motives are able to support her vision, however the link with the societal relevance is not fully elaborated on and clear. The examples she brings to explain how to bring her vision to reality through design are not present or vague.

[as defined under good] + Takes action in this development by looking for links within project/extra-curricular activities.

Understands the value of goals, can formulate them independently (formulated as SMART goals when needed) and is able to link these goals to his/her personal development in project, expertise areas, professional identity and vision and is able to demonstrate this via examples.
